

COMMENCEMENT **2024**

DID IT. YOU DID IT. YOU

**CONGRATULATIONS!** On this significant day, I hope that you recognize your achievement and enjoy it with those family members and friends who are close to you.

The day that you chose to study with American Public University System (APUS) marked the first step in the start of an exciting new chapter in your lives. This conscious choice to embark on your academic journey is often called the “butterfly effect,” where small changes in initial conditions can lead to vastly different results.

Today, we celebrate not only the day that you began but also the journey that you, along with 16,000 other graduates, experienced to complete your degree. Now, we welcome you to the esteemed ranks of our American Public University (APU) and American Military University (AMU) alumni community.

As the son of first-generation parents, I understand how education can change your life, the lives of your family, the lives of future generations, and the communities around you. I urge you to see this day as the start of a new journey, and we wish you good luck for this new phase as you strive to achieve your professional goals.

At APUS, we are grateful for the trust you placed in us to facilitate your transformation; it has been an honor to support you on your academic journey. We share in your joy and stand ready to assist you should you decide to pursue further studies in the future.

We hope that you stay in touch with our alumni community and look forward to hearing about your future successes.

Congratulations to the Class of 2024!

Sincerely,

A handwritten signature in black ink, appearing to read 'Nuno Fernandes', with a stylized flourish at the end.

Nuno Fernandes

SCHOOL OF HEALTH SCIENCES

## MR. GEORGE LINEN JR.

Bachelor of Science, Sport and Health Sciences, AMU

George graduated from AMU in December 2023 with a bachelor's degree in sport and health sciences. He also holds additional degrees, including two associate degrees from the Community College of the Air Force.

George is currently a military education instructor for enlisted personnel in the U.S. Air Force. He is a multifaceted individual with a passion for education, community engagement, and the transformative power of art. As a TEDx Speaker, poet, and published author, George exemplifies the ethos of a well-rounded individual who not only excels in his military service but also embraces creativity as a force for positive change.

George also contributes to local communities by organizing art events in the U.S., Germany, and Portugal. These events serve as platforms for cultural exchange and creative expression, fostering connections that transcend geographical boundaries.

A firm believer in the principle of "paying it forward," he established a scholarship at his high school alma mater and has personally awarded a graduating senior with \$250 each year since 2020. This commitment to education reflects George's dedication to empowering the next generation and making a lasting impact on their academic journeys.

In the future, George aspires to extend his impact further by combining his artistic endeavors with a career in physical therapy. With a vision to heal hearts through art and restore lives through therapeutic care, he seeks to give people not only inspiration but also the opportunity to reclaim their lives.

## MR. JOHN DESTEFANO, JR.

Bachelor of Arts, Criminal Justice, AMU

John DeStefano graduated from American Military University with a 4.0 GPA in December 2023. He holds a bachelor's degree in criminal justice with a concentration in law enforcement organizational leadership.

While attending AMU, he joined four student organizations. He was a member of the Pi Gamma Mu International Honor Society in Social Sciences, the Alpha Phi Sigma Criminal Justice Honor Society, the Golden Key International Honour Society, and The National Society of Leadership and Success.

A native of Elizabeth, New Jersey, John moved to Arizona at 27. John is a Captain with the Marana Police Department (MPD), located just outside Tucson, Arizona. John has been with MPD for over 24 years, during which time he has held various assignments.

John holds an associate of applied science degree in electromechanical engineering/robotics and attended the Northwestern University Center for Public Safety School of Police Staff and Command. He is currently applying to the FBI National Academy and plans to begin working towards a master's degree this summer.

John is married with five children and three grandchildren. In his off time, he enjoys cooking and traveling.

DR. WALLACE E. BOSTON SCHOOL OF BUSINESS

## MR. MANN KONGSOMBOONVECH

Master of Business Administration, AMU

Mann Kongsomboonvech graduated in June 2024 with a master of business administration degree from AMU. He also holds a bachelor's degree in science from the United States Air Force Academy.

Mann is a multi-faceted, driven professional with a diverse background and a passion for excellence. A first-generation Thai-Chinese immigrant, he brings a unique perspective to everything he does.

He currently serves in the U.S. Air Force as an acquisitions officer to demonstrate his leadership, strategic thinking, and a commitment to service. His dedication to excellence has earned him recognition and respect within the military community.

Mann is a multi-talented individual with a love for acting, modeling, and voice-over work. His passion for the arts led him to pursue opportunities in the entertainment industry, where he showcases his creativity and versatility.

In addition to his professional and academic achievements, Mann is actively involved in his community and strives to make a positive impact wherever he goes. His ability to connect with people from diverse backgrounds and his dedication to making a difference set him apart as a leader and role model.

## GEN. ALFRED M. GRAY, USMC

(1928 – 2024)

General Alfred M. Gray (Retired) had an outstanding Marine Corps career of 41 years, spanning the Korean War in the 1950s and the Vietnam War in the 1960s and 1970s to Desert Storm in the 1990s. He was always where the action was. In addition to his extensive time protecting our nation while deployed in “every clime and place,” General Gray was a thought leader who provided the spark needed to apply the lessons learned from Vietnam to better prepare the U.S. military for future conflicts.

General Gray served as the Chair of American Military University’s Board during the University’s earliest and most formative period, and he continued to serve on the APUS Board after the reorganization. General Gray was a forward thinker who challenged the status quo in higher education and contributed greatly to making APUS what it is today.

To the end, General Gray loved and served our nation. He was a patriot, a leader, and an exceptional human being, and we will be forever grateful for his enormous contributions to APUS.

# CONGRATULATIONS, GRADUATES!

Welcome to your alumni community, where you share a special worldwide connection with over 140,000 fellow AMU and APU alumni! The Office of Student and Alumni Affairs is honored and excited to share this accomplishment with you during the 2024 Commencement.

Your journey doesn't end here! As you take steps forward, we hope you stay connected to the University community through continued engagement. Participation could be as simple as activating your alumni profile in the University Directory, allowing students and alumni to connect with you.

We also have a host of alumni engagement programs. Consider serving as a mentor, representing your academic school on the Alumni Advisory Council (AAC), volunteering as a campus leader, joining a student organization, or helping us amplify our AMU and APU brands as a Social Influencer or University Ambassador!

There are several benefits and services available to you and accessible through your ecampus, including:

## Academic Resources

- Lifelong access to the University Library
- Links to select your next program
- Transcript orders
- Contact information for service departments

## Career Services

- Various resources for your job search
- Virtual Career Fairs
- CareerLink, the University's job board

## Networking and Engagement

- Peer networking and mentoring
- Volunteer leadership and community service initiatives
- Alumni organizations and events
- University social media links

## Additional Discounts and Benefits

- The Campus Store – grab your alumni swag today!
- Abenity, the alumni affinity and discount program

The Office of Student and Alumni Affairs will be reaching out periodically to check in, but we hope you will continue to tell us about your promotions, honors, and life milestones through the [Share Your Milestones](#) form. Your story is an important part of ours, and we are proud of you!

Once again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with the University. We wish you the very best in your future endeavors, and as always, we are only a phone call or email away.

Dr. Amanda Wilson-Echeverria  
Associate Vice President, Student and Alumni Affairs

The Class of 2024 graduates are required to complete all degree requirements and have their degree conferred by the University System in order to be considered a graduate of American Public University System. At the time of publication, Latin Honors cannot be calculated for undergraduates in the June and August 2024 conferrals and are not denoted in this publication. Effective June 1, 2019, University Honors are no longer denoted. In addition, if your graduation application was received after April 1, your name may not appear in this printed publication.

Inclusion in this publication does not constitute that all requirements have been met for degree completion and therefore does not mean conferral or graduate designation has been achieved. If you have questions about your degree status, please contact the Office of the Registrar at [graduations@apus.edu](mailto:graduations@apus.edu).

## THINK GREEN

American Public University System is dedicated to sustainable practices. In keeping with the University's sustainability practices, we're significantly reducing our paper consumption during Commencement 2024 by providing a digital program for graduates and their guests to view during the ceremonies. The 2024 Commencement program, with a full list of graduate names, will be available for viewing, downloading, and printing from our Commencement website.
